WHO WE ARE

01

The NM Family has been in the textile business since 1954. We are one of the leading Knitwear companies, based in Wylie, Texas. All of our products are manufactured in our own production facility located in Karachi, Pakistan. Our team of professionals have more than 35 years of experience in textile manufacturing and designing.

Our products are designed using the perfect blend of materials and detailing for comfort, style and durability. Our product range includes garments for Men, Women and Youth in the following categories:

- Casualwear/ Loungewear
- Outerwear
- Undergarments
- Sportswear
